

HOW TO SUBMIT THREE IMAGES OF YOUR WORK FOR THE JURY PROCESS

- Only digital entries of art work will be considered. Please crop images of 2D work so that only the artwork is shown. For 3D work, please make the focus of the image be on the art piece. For the jury process, images of three different pieces must be submitted.
- File Format: Files should be sent in .jpg or .png format. Please send image files that are, at a minimum, 1MB, and at a maximum 2MB. PAS reserves the right to edit/crop/reduce size of images as needed for use digitally or in print form.
- Send all the image files as attachments to one email if possible (email address is below). Only three (3) images will be accepted. *Please do not embed images within the email body; append them as attachments so that images retain original size and resolution. If the size of images exceeds what the email program allows, more than one email can be sent.*
- Naming convention for images: your last name, your first name, PAS24 a, b, or c for entry number, e.g.: *SmithJanePAS24a.jpg* ... etc.
- Attach your digital entries to an e-mail sent to: artistscall@placitasartistsseries.org. **We cannot accept images sent to a different email address.** In the body of the email please include your full name, phone #, image file names, title of each imaged piece, medium, and size of each image you submit. Subject line should read: [Your last name] PAS entries.

If you require assistance with any of the above image requirements, or have questions, please email webmaster@placitasartistsseries.org.
